## WELCOME TO PRÁTICA

Prática, founded in 1991, offers cutting-edge equipment for the food preparation market, including an extensive product portfolio in the category of speed ovens. With over 600 employees, including 55 in Research & Development in its fully operational 250,000 sq ft factory located in Minas Gerais, Brazil, where it is the market leader. Additionally, the company has a strong presence in the international market, with branches in the United States and Chile, and exports its products to more than 50 countries.

At Prática, our purpose is to help our customers prepare high-quality food without waste. We understand the crucial role we play in the chain that begins with fields and crops and ends with providing prepared food to people. With our state-of-the-art technology and integrated product solutions, as well as pre- and post-sales support networks, we truly improve our customers' operations in quality food preparation, productivity, and profitability.

A well-aligned team, driven by strong values and a positive vision for the future, is propelling Prática towards an increasingly prominent position in the world.
