We understand the importance of providing more than just a perfect cup of coffee. Amplify your coffee shop's culinary offerings with Prática's ventless smart high-speed ovens! Expand your menu and delight your customers with an irresistible selection of treats that perfectly complement your beverage selection.

Operating our high-speed ovens is a breeze, allowing you to deliver delightful treats in no time. Once your personalized settings and recipes are set, simply select the desired recipe from the user-friendly interface to initiate the cooking process. The oven will seamlessly execute the recipe based on the established settings, guaranteeing consistent quality and flavors.

Unleash your creativity and craft a memorable dining experience that keeps customers returning for more.

This cookbook has been curated with recipes tailored specifically for our high-speed ovens, considering the atmosphere of coffee shops. It serves as a valuable starting point by offering you settings based on the recipes tested in our kitchen.

You have the flexibility to customize cooking parameters according to your preferences, empowering you to achieve the perfect textures and flavors envisioned for your business.

These recipes are not only examples but also sources of inspiration. Feel free to create additional recipes with different flavors and variations, aligning them with your coffee shop's unique menu.

On each page, you will find:

- A picture illustrating the featured food item
- The precise settings used for preparing that food item on each recommended high-speed oven
- A direct link to the recipe page on our website, providing more details and authentic pictures of the results achieved in our test kitchen
- An additional link to a short video showcasing the high-speed oven in action, specifically demonstrating that particular recipe.

Our expert team is available to assist you in ongoing support, troubleshooting, and recipe refinement.

## WELCOME TO **PRÁTICA**

Prática, founded in 1991, offers cutting-edge equipment for the food preparation market, including an extensive product portfolio in the category of speed ovens. With over 700 employees, including 55 in Research & Development in its fully operational 250,000 sq ft factory located in Minas Gerais, Brazil, where it is the market leader. Additionally, the company has a strong presence in the international market, with branches in the United States and Chile, and exports its products to more than 50 countries.

At Prática, our purpose is to help our customers prepare high-quality food without waste. We understand the crucial role we play in the chain that begins with fields and crops and ends with providing prepared food to people. With our state-of-the-art technology and integrated product solutions, as well as pre-and post-sales support networks, we truly improve our customers' operations in quality food preparation, productivity, and profitability.

A well-aligned team, driven by strong values and a positive vision for the future, is propelling Prática towards an increasingly prominent position in the world.
